Framework Convention and its Protocols

The Convention defines a **framework** by:

- setting basic principles and objectives
- organizing the cooperation

The Protocols regulate **concrete steps** to be taken for the protection and sustainable development of the Alps.

Signed and ratified Protocols are legally binding in the Contracting party.

Alpine Convention Organogram

Background of the WISO working group

- The WISO working group was set up by the Alpine conference in 2009.
- Members: nominated experts from the Contracting parties and Observers
- Chair: Usually member states – Currently Slovenia
- Mandates for 2 years periods

Challenges

- Mechanisms for financing concrete ideas - projects
- Implementation of the results in the member states

Concrete example

- Planned preparation of strategic guidelines for bear management in the project area
- Participation of all Alpine countries through WISO platform was insured
- Implementation into national strategic documents
